Elms*

Volume XXXV?

*Elmhurst College
Elmhurst, Illinois*

Dedicated to

Dr. Paul N. Crusius

Two generations of Elmhurst students have known and respected Dr. Crusius, a living symbol of the Elmhurst way. He saw Elmhurst emerge from its Seminary Days, and become an Academy. He witnessed the transition to a junior college, to a senior college. He was here when Elmhurst became co-educational.

His influence on many thousands of Elmhurst students has been great.

The 1954 ELMS staff is honored to dedicate this book to Dr. Crusius.

From my vantage point I am privileged to see Elmhurst men and women "out there" . . . doing the world's work, and others on the campus preparing for their future usefulness. They have much in common and through the years they develop similar Characteristics. Nearly all bear something of the Elmhurst stamp, an important quality of which is integrity. It is fascinating to watch this process of growth on the campus. Our students, exposed to wholesome influences, led by devoted teachers, surrounded by many noble-minded youths, inspired by tradition and idealism . . . become useful citizens, a credit to the school and an asset to the nation. Since many of our friends cannot observe this process we hope that these pages will reveal some of it. It is the story of a contagion, caught and spread, a contagion of mutuality and good will. May God prosper it.

H. W. DINKMEYER

The purposefulness of Elmhurst students and faculty permeates every aspect of our campus life. In general, each individual becomes aware of his responsibility to the campus community, discovers an area in which he can make a creative contribution to Elmhurst, and works cooperatively with his peers. The effective manner in which the Student Union plans and directs the social activities is evidence of the mature quality of the student body.

A deep, sincere interest in the welfare of every member of the campus family produces a genuine spirit of friendliness. Everybody seems to be willing and eager to exchange a friendly greeting, to lend a helping hand, and to share vital experiences with his neighbors.

Christian fellowship abounds at Elmhurst. Thrice blessed are we who are privileged to work at Elmhurst College.

ALFRED FRIELI
Dean of the College
Registrar

Some place I read, *"There can be no life without tradition, neither can there be any life without movement."* Any college campus is the crossroads of tradition and movement with tradition likely to dominate movement. Now and then the reverse can and does happen.

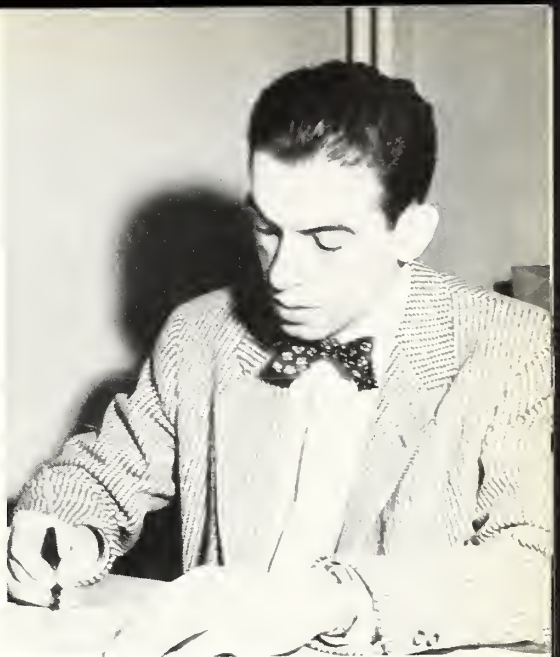

Perhaps 1953-54 will be remembered as one of the "movement" years, e.g., the Circle drive, the contagion of the Lecture Series that inoculated student groups to outdo one another in bringing in speakers, the illegal dash on South Hall, the renovating of Irion Hall Assembly—even the faculty moved into the new apartments.

But movement should signify direction just as tradition should conserve. May Elmhurst College students of 1953-54 conserve and move toward proving all things, holding fast that which is good.

Junior Concessions

A ubiquitous and highly voluble group, the concessioners were present at every function and athletic event. Single minded hucksters that they were, they had just one object in mind—to help pay for the Junior Prom.

Co-chaired by Ermine Todd and Phil Mazzone, the enterprise was highly successful.

Pigskin Parade

This year under the tutorship of their new grid mentor, Joseph Palmieri, assisted by Line Coaches Pete Langhorst and Ben Jacques and End Coach Don Rosback, the fighting Blue Jays compiled an impressive 3 wins, 4 losses and one tie record over a rugged 8 game schedule. Led by co-captains James Krieter and Robert Moenkhaus, the Jays played inspired ball throughout the season. Numerous injuries to key men seemed to plague the team in the month of October when the gridders dropped four in a row to powerful foes.

The Jays opened their season on a rain-soaked gridiron under the arcs at Bensonville High School field against Eureka College, and they eked out a 14-13 victory. On the Jays' first play from scrimmage, quarterback Ken Baker hit all conference right end Ward Casper with a 15-yard jump pass to score a touchdown. Freshman Dave Sloan's conversion made it 7-0. Rather early in the second period Elmhurst tallied again when Al Southon, alert linebacker, speared a short flip by the Eureka quarterback, Bill Owen and behind some timely blocking raced thirty-five yards down the sideline for the touchdown. This score set the stage for Sloan's second successful conversion which proved to be the ultimate margin of victory.

The game as a whole was a rather pleasing one in the light of the fact that few of the players had had more than a week of conditioning and practicing together. There were remarkably few fumbles for the wetness of the field and the ball. Coach Palmieri observed that the blocking and tackling were very good but bemoaned the fact that the backfield had lacked the drive and deception which he was hoping to witness.

CHUCK BURCHARDT
Quarterback

The next foe was the University of Illinois Chicago Division, and the Jays walked off the field victors, 19-6. Early in the second period, a penalty placed Navy Pier on its own two yard line and a poor punt put the ball on the Pier's 23-yard line. On the first play from scrimmage, Chuck Burhardt took a pitch-out from Kenny Baker and hurled an aerial to Ward Casper, who scampered into the end zone with the first score. Sloan added the extra point to give Elmhurst a 7-0 lead.

The Jays drove right back for another score as the Pier, failing to move the ball, punted to the Elmhurst 40 where Harry Cook returned it 32 yards to the Pier 28-yard line. From there Baker hit "Dutch" Winter with a 10-yard pitch over the middle and the big guy bulled his way through halfbacks into the end zone. Baker's conversion try was blocked, so the Jays led 13-0 at the half. In the third quarter the Pier scored, but their conversion was blocked. After a series of short gains the Jays (from the Pier 25-yard line) reeled off another touchdown play. At this point Burhardt, who had recently passed for one touchdown and had done the punting for the team, showed his claim to being a triple threat by taking a pitchout from Baker and racing around left end for 8 yards and into pay dirt. This tally concluded the scoring of the day.

The Jays opened conference play by dropping a decision to Millikin, 33-6. The game was held under the lights on the local high school field with an estimated 2,500 fans looking on. The game was marked by penalties and bad breaks for the Jays who couldn't seem to get started. Five key players were injured in this hard fought contest. The Millikin boys outfought and out-classed the Blue Jays.

This has got to be good!

The next hurdle for the Blue Jays in Conference Competition, the Powerful Crusade of Wheaton College, proved too high for the Jays as our boys fell, 33-0. The Wheaton game, as a whole, was charged to experience with the focus on the Homecoming battle the following week. Special mention should be made at this point of a few of the most outstanding Jays whose efforts, even in the losing battle, were nonetheless noteworthy. Chan Hadley, it seems, had been concealing his punting abilities under the guise of his tackle duties, and only recently had begun to show Coach Palmieri that he could be the punter which the Coach needs for next year. Also outstanding were the offensive as well as the defensive efforts of such linemen as "Moose" Krieter, Dick Roos, "Fearless" Joe Voorhees, Hadley, Southon, and Bob and Dwayne Dollgener, the "Terrors from Texas."

Before a large Homecoming crowd of students, faculty and alumni the Blue Jays faced Augustana College, 20-6. The first scoring came about midway in the first quarter when the Jays took over possession of the ball on their 34-yard line and then proceeded to put together five straight first downs before finally scoring. This drive was highlighted by some fine running efforts on the part of Harry Cook, and Chuck Burchard as well as the shrewd quarterbacking of Ken Baker, who appeared to be fully recovered from the injury that sidelined him in the Wheaton tilt. Finally, with the ball resting on the Augie four-yard stripe, Baker stepped back and hit his big end "Dutch" Winter with

end zone to put the Jays in the scoring column. The conversion attempt by Dave was wide and the score remained 6-0 at the conclusion of the first quarter. The Kings scored just before the half, but their kick was wide, so the game was tied 6-6 at the mid-way mark. The men from Rock Island dominated the second half, and as the gun sounded the Jays were behind 20-6.

The Blue Jays continued their conference losing trail by being smashed by a powerful Forest aggregation 46-0. The Jays proved courageous but hopelessly outclassed as the Foresters produced touchdowns by about every means devised in football. The Jays fought hard, but the only bright spot was the running of Charles Burkhardt.

Rebounding from four straight Conference losses, the Jays proved rugged as they defeated winless Illinois Wesleyan to a 13-13 standstill. The Blue Jays drew first blood in the opening period on a pass play from quarterback Chuck Burchardt to end Al Johnson who broke down the sideline to score, the whole play covering 36 yards. Burchardt followed with a successful conversion and the score stood at 7-0 at the end of the first quarter.

Illinois Wesleyan fought back, and at the half the score was deadlocked, 7-7. The third quarter was scoreless, with both teams battling it out on rather even terms; it was marked with fumbles and intercepted passes on the part of both teams, yet neither team was able to capitalize on the other's bad breaks.

Burchardt adds another extra point.

The bitter end.

The one bright spot as far as Elmhurst was concerned was the effectiveness with which their heretofore ineffective running attack functioned with the return of T. C. Morrill to the line-up, who teamed with consistent Chuck Burchardt to account for 13 yards between them.

In the fourth quarter, the Titans scored but failed to convert. With just less than four minutes left in the ball game "Dutch" Winter ploughed through the Wesleyan line and blocked a punt. "Tex" Dollgener was the man-of-the-hour as he fell on the rolling ball to give the Blue Jays possession on the Wesleyan 27-yard line. Now the boys went to work. Two running plays by Morrill netted 9 yards; a shot through the line by Burchardt netted a first down. On the next play Burchardt took a handoff from Baker and spotting end Ward Casper in the clear, rifled a pass to him. The pass was low, but Ward made a diving shoestring catch on it on the one yard line. Burchardt carried it over for the score on the very next play, but his kick was off to the left.

The final game of the year saw the Blue Jays end their season with a 14-3 victory over the passing Cardinals of North Central College. The game was marked by great passing and running and one of the greatest pass defense shows ever exhibited by an Elmhurst team. Led for the last time by Co-Captains Jim Krieter and swivel-hipped Bob Moenkhaus, the Jays fought and literally ran the Cardinals off the field. Up until the Jays stalled North Central, no team in the conference had been able to stop the passing attack of the mighty Cardinals.

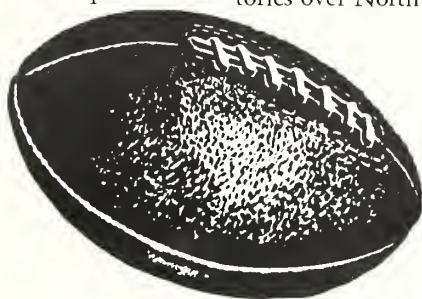

JIM KRIETER
Co-Captain
Guard

Halfbacks Tom Morrill and Chuck Burkhardt shone as they stepped for huge gains through, over, and around the North Central line. The passing of Burkhardt and "great" catches by Southon and Casper set the stage for the well-deserved victory. Guards Richard Roos and Jim Krieter and End Dutch Winter bottled up the Cardinal passers so effectively that North Central completed only 13 of 31 passes for

short gains, and many times before he could get the passes away, All-Conference Quarterback Gossell of North Central was thrown to the turf for long losses.

The game marked a highlight for the Jays for it was their first conference victory under Coach Joe Palmieri and continued their two straight upset victories over North Central.

Cross-country

The cross-country team rolled out the most impressive season in its short history at Elmhurst as it won six meets while dropping only two. The Jays were noticeably without a fast man who was certain to place first. However, the boys compensated for this as six runners persistently placed in the first nine. Larry Gates led the blue and white in four meets, with John Smith and Robert Hedeman sharing the others. This front line strength was augmented with the depth of Captain Raymond Whitehead, Wesley Hummel, and Lloyd Klindworth, who regularly finished early to give Elmhurst victory. Also of help was the effort of Hinman who, though he didn't finish in the top five, always managed to increase the horror of the opposition by adding to the Jay's aggregate ability. After dropping the first two counts to Navy Pier, the team finished the season with six consecutive wins, as they twice managed to total perfect scores of only 15 points

Kneeling: H. A. Grote, Captain Mike Gass, Eric Gass.
Standing: Dick Marquardt, Howie Hohman, Dan Meyer.

Seniors Mike Gass, Dan Meyer, Junior Harold Grote, and Sophomore Eric Gass brought the College Conference of Illinois Tennis Championship to Elmhurst College for the first time in the history of the school, on the week-end of May 21-22 at Wheaton College. The Jays collected a total of nine points—one more than runner-up Millikin. Augustana finished with seven points to take third place and Wheaton was fourth with six tallies. North Central—heavy favorites before the tourney, collected only three points, and Lake Forest finished in the cellar with a lone marker.

The tournament followed on the heels of a rather successful season which saw the Jays conclude with an even 5-5 record. Against conference competition the Jays were 5-3 and against non-conference foes they stood at 0-2. The best individual mark was compiled by H. A. Grote who won eight singles encounters while dropping only two at his No. 3 singles position. Next best was Freshman Howie Hohman who was 7-2 at his No. 5 slot, followed by another Freshman, Dick Marquardt, who won seven and lost only three. The No. 4 man for the Jays, Eric Gass, broke even with a 5-5 record in singles play, while his brother, Mike, won six and lost four. The only player to have a losing percentage on the squad was No. 1 man, Dan Meyer, who collected four wins and dropped six matches.

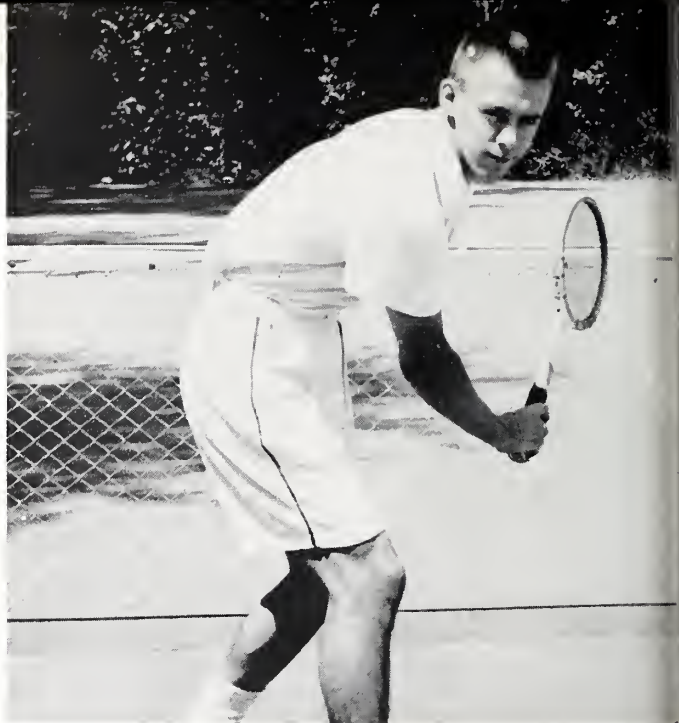

Given only an outside chance to finish high in the C.C.I. tournament, the Jays started off with a bang. Led by an upset victory over Russ Haidle of North Central, by Dan Meyer, the Jays picked up enough points at the end of the first day of play to tie Millikin for the lead. The second day saw the second doubles team of Grote and Eric Gass win a close three set final over Millikin's doubles duo, to win the championship in that division. Following a brief rest, Grote returned to the court to battle Wheaton's Dave Burnham in a tense, tight final-round match, which hung in balance until the winning lob sailed over Burnham's head for match point, breaking an 8-8 tie with Millikin and giving victory to the Bluejays.

Always a winning team, the track squad again had a successful season. Aside from winning four regular meets, the Jay cindermen also placed sixth in the E.I.I. and third in the Conference meet.

Two new school records were set. In a dual meet at North Central, John Sandall threw the discus 124' 5". In the C.C.I., Co-Captain Don Kolkmeier set a new Conference record, as well as a school record, with a leap of 6' 3".
